II. Description and scope of data processing

1. Provision of the website

Our system records data and information about the computer used by the user automatically and with every visit on our website.

The following data are collected:

- Information regarding the type and version of internet browser used to access the website*
- Operating system*
- Internet service provider*
- IP address*
- Date and time of each access*
- Web page from which the user was redirected to our page*

¹ As long as it does not cause a disproportionate effort to transmit these data

The data mentioned above are saved for a maximum time period of 180 days. This storing is done due to security reasons to ensure the stability and integrity of our systems.

We do not perform any web analysis on our website and do not use any web analysis tools (e.g. Google Analytics). The previously mentioned user and visitor data will not be evaluated or analyzed.

2. Cookies

We use cookies on our website to ensure a user-friendly experience. Cookies are small files that are managed by the user's web browser and are directly stored on the respective device (Laptop, Tablet, Smartphone etc.) whenever you visit our website. Cookies are stored as long as you do not delete them. This process allows us to recognize your browser on your next visit.

If you do not wish to use cookies you can change the settings in your browser accordingly. You will then be notified whenever your browser attempts to create a cookie and you can decide whether you want to allow the cookie. However, please note that a deactivation of cookies may result in a limited user experience and you may not be able to use every function of our website.

Legal basis for the processing of data through cookies is Article 6 (1) lett. f GDPR.

The cookies remain valid for 180 days and are then deleted by your browser.

III. Data security

We use SSL-encryption, a common encryption technology in connection with the highest encryption levels that are supported by your browser. If a page on our website was/is being transmitted encrypted it is shown by the lock symbol in the address bar of your browser.

Additionally, we use appropriate technical and organizational security measures to protect your data from accidental or intentional manipulation, partial or complete loss, destruction, or to prevent unauthorized access by third parties. Our security measures are continuously upgraded according to the latest technological developments.
